Spill or leakage procedures: Do not flush to sewer. Absorb with suitable material and dispose off according to local regulations. Aerosol cans when vented to atmospheric pressure through normal use, pose no disposal hazard.

Product Specifications:

Average content:	250 ml, 300 ml, 350 ml, 400 ml, 600 ml
Registration No.:	570
Active ingredients:	Tetramethrin, PBO, Permethrin : 01.55 %
Inert ingredients:	(Contains Petroleum Distillates) : 28.45 %
Classification:	Aerosol insecticide
General appearance:	Clear liquid
Color:	Pale yellow
Odor:	Petroleum distillate & delicate scent
PH:	N/A
Vapor pressure at 20 C:	3.5 - 4.5 bar
Spray pattern:	Fine particles in Forceful stream
Flammability:	Extremely flammable
